Intent ID (input)	Request Variations	SUPPORT AGENT ACTION FLOW
MAIL_ITEM_STATUS_INQUIRY	Can you tell me what's going on with my mail right now? Please provide an update on the status of my mail item. Hey, any idea where my mail is at? I'd like to check the current status of my mail item, please. What's the latest on my mail?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Check for mail items associated with the customer. 4. If there is only one mail item and it is clearly identifiable, review its current status. 5. If there are multiple mail items or identification is ambiguous, ask the customer to specify which mail item they are referring to and STOP. 6. Internal note: Pending customer confirmation – need mail item details for status inquiry.
MAIL_ITEM_DETAILS_VIEW	Can you tell me what the new mail is and who it's from? Please provide details about the latest mail item and its sender. What's the new mail and who sent it? I'd like to find out what the new mail item is and who sent it, please. Hey, any idea what the new mail is and who it's from?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Attempt to identify the specific new mail item based on available details. 4. If the mail item can be confidently identified, review sender and item details. 5. If identification is ambiguous or multiple new items exist, ask the customer for additional identifying details (e.g., date

		received, sender, or envelope description) and STOP. 6. Internal note: Pending customer confirmation – need more details to identify the specific mail item.
MAIL_FORWARD_REQUEST_SUBMIT	Could you please forward this mail to my alternate address listed in your records? Hey, can you send this mail to my other address you have? Please make sure this mail item gets sent to my other address on file. Would you be able to forward this mail to my second address? Can u forward this mail to my other address?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Locate the specific mail item referenced by the customer. 4. If the mail item cannot be confidently identified, ask the customer for additional details (e.g., sender, date, or description) and STOP. 5. Check if multiple forwarding addresses exist on file. 6. If multiple addresses exist and a preferred/default address is set, confirm with the customer if they want to use the preferred/default address for forwarding and STOP. 7. If multiple addresses exist and no preferred/default is set, ask the customer to specify which address to use and STOP. 8. If only one forwarding address

		exists, proceed to the next step. 9. Check if mail type, carrier, and carrier service option are specified or can be determined. 10. If any required info (mail type, carrier, service option) is missing, ask the customer to provide it and STOP. 11. Estimate the total forwarding cost; if it may exceed $20, request customer approval and STOP. 12. Submit the forward request for the identified mail item to the selected address with the specified options. 13. Confirm the request is visible for operations. 14. Notify the customer of the submission and next steps. 15. Document the action.
MAIL_FORWARD_REQUEST_CANCEL	Can you please cancel my mail forwarding request, provided it hasn't been processed? If my mail forwarding request hasn't gone through yet, I'd like to cancel it. Hey, can you stop my mail forwarding if it’s not done already? I would like to request the cancellation of my mail forwarding, assuming it is still pending.	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Locate the specific mail forwarding request. 4. If the forwarding request can be confidently identified and is still pending, cancel the request in the system. 5. If the forwarding request cannot be confidently identified, ask the

	Please cancel my mail forwarding request if it hasn't been processed yet.	customer for additional details (e.g., mail item description, date, or tracking number) and stop. 6. If cancelled, notify the customer of the cancellation. 7. Document the action. 8. If waiting on customer details, add internal note: Pending customer confirmation—need more information to identify the forwarding request.
MAIL_FORWARD_STATUS_INQUIRY	Has my last mail forwarding request been taken care of yet? Could you please confirm whether my most recent mail forwarding request has been processed? Just checking if my last mail item got forwarded—any update? I would like to inquire about the status of my previous mail forwarding request. Hey, did you process my last mail forwarding thing?	1. Go to the customer's company profile in Starthub Admin CRM. 2. Open the Virtual Mailbox tab. 3. Identify the most recent mail item and check for an associated forwarding request. 4. If the forwarding request is found and unambiguous, review its current status. 5. Reply to the customer with the forwarding request status as shown in the system. 6. Document the interaction.
MAIL_FORWARDING_ADDRESS_ADD	Can you help me set up a new address for my mail to be forwarded? I'd like to add another address for mail forwarding, please. Hey, I wanna add a new address for	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Verify the account is active and eligible for address updates. 4. Add the new

	forwarding my mail. Please assist me in adding a new address for mail forwarding purposes. I need to put in a new address so my mail gets forwarded there.	forwarding address as provided by the customer. 5. Confirm the new address is saved in the system. 6. Notify the customer that the new forwarding address has been added and is available for use. 7. Document the action in the account notes.
MAIL_FORWARDING_ADDRESS_UPDATE	Can you help me change the forwarding address for my account? I'd like to update my account's forwarding address, please. Hey, I wanna switch the forwarding address on my account. Please assist me in modifying the forwarding address associated with my account. I need to change where my account forwards stuff to.	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Check if the account is active and eligible for address updates. 4. Review existing forwarding addresses. 5. If the customer has not provided the new forwarding address, ask the customer to provide the new address and STOP. 6. Internal note: Pending customer confirmation – need new forwarding address.
MAIL_FORWARDING_ADDRESS_REMOVE	Can you please remove one of the forwarding addresses from my account? Hey, could you take off one of my forwarding addresses? I'd like to have one of the forwarding addresses deleted from my account.	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab and locate the list of forwarding addresses. 3. Check if there is more than one forwarding address

	Please remove a forwarding address from my account. Can you help me get rid of one of the forwarding addresses on my account?	and if the address to be removed is unambiguous. 4. If the address to be removed is clear and unambiguous, remove the specified forwarding address. 5. Confirm the address has been removed in the system. 6. Notify the customer that the forwarding address has been removed. 7. Document the action in the account notes. 8. If the address to be removed is ambiguous or not specified, ask the customer to clarify which forwarding address to remove and STOP. 9. Internal note: Pending customer confirmation—need specific forwarding address to remove.
MAIL_FORWARDING_RECIPIENT_ADD	Can you help me add a new authorized recipient for my mail forwarding? I'd like to include an additional name as an authorized recipient for mail forwarding. Hey, I wanna add someone else to get my forwarded mail. Please assist me in adding another authorized recipient name for mail forwarding purposes. Is it possible to add another person to	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Check if the required recipient name is provided and unambiguous. 4. If recipient name is missing or ambiguous, ask the customer to specify the full recipient name and STOP. 5. Add the new authorized recipient name for mail forwarding.

	receive my forwarded mail?	6. Confirm the recipient has been added. 7. Notify the customer of the update. 8. Document the action.
MAIL_FORWARDING_RECIPIENT_REMOVE	Can you help me take someone off my mail forwarding list? Please assist me in deleting an authorized recipient from my mail forwarding settings. I want to remove a person from my mail forwarding—how do I do that? I'd like to take an authorized recipient out of my mail forwarding setup. Hey, can you get rid of an authorized recipient on my mail forwarding?	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the list of authorized mail forwarding recipients. 4. If the recipient to be removed is clearly identified and unambiguous, proceed to remove the recipient from the forwarding settings. 5. Confirm the recipient has been removed. 6. Notify the customer of the removal. 7. Document the action. If the recipient is not clearly identified or there is ambiguity: 4. Ask the customer to specify which recipient should be removed. 5. Internal note: Pending customer confirmation—need recipient name or identifier.
MAIL_SCAN_REQUEST	Could you please scan this mail and upload it to my mailbox? Hey, can you scan	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual

	this letter and put it in my mailbox? Please scan the attached mail item and upload it to my mailbox. Scan this mail and upload it to my mailbox, thanks. Would you be able to scan this mail item and upload it to my mailbox for me?	Mailbox tab. 3. Locate the specific mail item the customer is referring to. 4. If the mail item can be confidently identified, proceed to submit a scan request for that item. 5. If the mail item is ambiguous or cannot be confidently identified, ask the customer to specify which mail item to scan and STOP. 6. Internal note: Pending customer confirmation – need mail item identification.
MAIL_SHRED_REQUEST	Can you please shred this mail for me? Hey, could you shred this mail? This mail item requires shredding. Would you be able to shred this piece of mail? Shred this mail, please.	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Locate the specific mail item the customer wants shredded. 4. If the mail item is unambiguously identified, proceed to submit a shred request for that item. 5. If the mail item cannot be confidently identified, ask the customer for additional details (e.g., sender, date, or mail description) and STOP. 6. Internal note: Pending customer confirmation—need

		more details to identify the mail item.
MAIL_PICKUP_REQUEST	Can you help me arrange a pickup for my mail? I'd like to set up a mail pickup, please. Hey, can someone grab my mail for pickup? I would like to request a pickup for my mail items at your earliest convenience. Please schedule a pickup for my mail items.	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Locate the specific mail items the customer wants to schedule for pickup. 4. If the mail items are not clearly identified or ambiguous, ask the customer to specify which mail items they want to pick up and STOP. 5. Internal note: Pending customer confirmation – need specific mail item identification.
MAIL_DELAY_INQUIRY	Can you tell me what's going on with my mail? Please provide an update on the status of my mail. Hey, any news on my mail yet? I'd like to check the current status of my mail, please. Is there any information available about my mail's status?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the mail item's status, tracking history, and any recent activity or logs. 4. Identify if there is a delay, delivery exception, or missing tracking update. 5. If the cause is clear (e.g., carrier delay, no new scans), reply to the customer with the current status and reason for the delay as shown in the system. 6. If the cause is unclear or requires

		further investigation, escalate to the appropriate team and inform the customer that the issue is being investigated. 7. Document the interaction and findings.
MAIL_FORWARD_FAILED	Can you let me know what's going on with my mail forwarding? Please provide an update on the status of my mail forwarding. Hey, could you check if my mail forwarding is working? I would appreciate it if you could verify the current status of my mail forwarding. Is my mail forwarding set up and active?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the mail forwarding request logs and status for recent submissions. 4. Identify the failed forwarding attempt and review the error or failure reason. 5. If the failure reason is unclear or additional details are needed, ask the customer for clarification (e.g., which mail item or forwarding address) and STOP. 6. Document findings and any customer communication. 7. If unresolved or system error is detected, escalate to technical support. 8. Document the escalation.
MAIL_ITEM_MISSING	Can you tell me what's going on with my missing mail? Please provide an update regarding the status of my missing mail item. Hey, any news on my lost mail yet?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the mail item logs and history for any recent or

	I would like to inquire about the current status of my missing mail. What's the status of my missing mail item?	missing entries. 4. Check for any processing delays, misrouted, or recently archived items. 5. If the mail item can be confidently identified as missing, proceed to investigate further or escalate. 6. If the mail item cannot be confidently identified or details are ambiguous, ask the customer for additional identifying details (e.g., sender, date, tracking number, description) and STOP. 7. Internal note: Pending customer confirmation – need more details to identify the missing mail item. 8. Document the interaction.
MAIL_ITEM_RETURNED	Can you tell me the reason my forwarded mail got sent back? Hi, my forwarded mail was returned—could you explain why that happened? Please provide the reason for the return of my forwarded mail. Hey, any idea why my forwarded mail came back to me? I would appreciate clarification regarding the return of my forwarded mail.	1. Go to the company profile in Starthub Admin CRM. 2. Open the Virtual Mailbox tab. 3. Locate the specific forwarded mail item in question. 4. Review the mail item's status, tracking history, and any return reason or notes. 5. Reply to the customer with the system's status and any available return details.

		6. Document the interaction.
MAIL_SERVICE_ELIGIBILITY_CHECK	Can you tell me if my current account lets me forward or scan my mail? Am I eligible to use mail forwarding or scanning with the account I have? Just checking—can I forward or scan my mail with this account? Please confirm whether my existing account permits mail forwarding or scanning. Hey, am I able to forward or scan my mail with my current account?	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the account's current mail service eligibility status. 4. Reply to the customer with the eligibility information as shown in the system. 5. Document the interaction.
MAIL_STORAGE_LIMIT_INQUIRY	What's the most mail my mailbox can hold before it fills up? Could you please tell me the maximum storage capacity of my mailbox? How much mail can I keep in my mailbox before it hits the limit? I'd like to find out the mailbox storage limit. Can you let me know how many messages I can store before my mailbox is full?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the mailbox storage policy and current storage usage/limit as displayed. 4. Reply to the customer with the mailbox storage limit and any relevant policy details. 5. Document the interaction.
MAIL_STORAGE_OVERAGE_NOTICE	Can you explain the mail storage overage notice I got? Could you please provide clarification regarding the mail storage overage notice I have received? Hey, what's up with	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the storage status and overage details. 4. Check the current

	this mail storage overage notice? I'd like some details about the mail storage overage notice sent to me. Please explain the notice about exceeding my mail storage.	storage policy and applicable fees. 5. Reply to the customer with the explanation of the storage overage notice, including current usage, policy, and any fees shown in the system. 6. Document the interaction.
MAIL_SERVICE_HOW_IT_WORKS	Can you explain how mail forwarding and handling work? Could you please provide a detailed explanation of the mail forwarding and handling process? How does mail forwarding and handling actually work? Hey, can you tell me how mail forwarding and handling goes? I would appreciate an overview of the procedures involved in mail forwarding and handling.	1. Review the customer inquiry to confirm it is a request for instructions. 2. Prepare a clear explanation of how mail forwarding and handling works, including steps for requesting forwarding, required information, and what happens after submission. 3. Reply to the customer with the instructional guidance. 4. Document the interaction.
MAIL_HISTORY_REVIEW	Can you give me a summary of my recent mail activity? Please provide a summary of my recent mail activity. Hey, could you sum up what's been going on with my mail lately? I'd like to see a summary of my recent mail activity. Could I get a brief overview of my recent mail activity, please?	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the recent mail activity, including received, processed, and actioned items. 4. Summarize the recent mail activity as shown in the system. 5. Reply to the customer with the summary.

		6. Document the interaction.
MAIL_FORWARD_PROCESSING_FEE_INQUIRY	Is there any extra cost or processing fee for forwarding my mail? Could you please let me know if forwarding my mail incurs any additional charges or fees? Hey, are there any fees if I want my mail forwarded? Just checking—do you charge anything extra for mail forwarding? I would like to inquire whether forwarding my mail involves a processing fee or any supplementary charges.	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Locate the current mail forwarding fee and any applicable processing charges. 4. Review the fee details as shown in the system. 5. Reply to the customer with the fee and charge information. 6. Document the interaction.
MAIL_STORAGE_POLICY_EXPLANATION	Can you tell me how long mail is kept in my mailbox and what your storage policy is? Hi, just wondering how long you guys hold onto mail in my box? Please provide details regarding your mail storage policy and the duration mail remains in my mailbox. How long does my mail stay in the mailbox before it's removed? Could you clarify your policy on mail storage and the retention period for items in my mailbox?	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Locate and review the current mail storage policy and retention period displayed in the system. 4. Reply to the customer with the policy details and how long mail can remain in the mailbox. 5. Document the interaction.

MAIL_STORAGE_FEE_INQUIRY	Am I getting charged for having too much mail in my mailbox? Could you please confirm whether there are any fees for excess mail storage in my mailbox? Just checking, do I get billed if my mailbox is too full? Please let me know if there are any charges associated with storing a large amount of mail in my mailbox. Hey, am I paying extra for keeping a lot of mail in my mailbox?	1. Open the customer's company profile in Starthub Admin CRM. 2. Navigate to the Virtual Mailbox tab. 3. Review the current mail storage status and any storage fee indicators or recent charges. 4. Check the account for any active or recent mail storage fees. 5. Reply to the customer with the current storage fee status and any relevant policy details. 6. Document the interaction.
MAIL_MAILBOX_CLEANUP_OPTIONS	Can you tell me what I can do to clear out my mailbox and lower the amount of mail stored? What are the available methods for cleaning up my mailbox and minimizing stored messages? Hey, how can I tidy up my mailbox and get rid of some old emails? I'd like to find out the ways I can clean up my mailbox and decrease the stored mail. What steps can I take to organize my mailbox and cut down on stored mail?	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review available mailbox cleanup options: shredding unwanted mail, forwarding mail to another address, archiving mail digitally, or scheduling a pickup. 4. Reply to the customer with these options and brief instructions for each. 5. Document the interaction.
MAIL_RECIPIENT_ADD_INDIVIDUAL	Can you help me add someone else to receive my mail?	1. Open the company profile in Starthub Admin CRM.

	I'd like to designate an additional authorized recipient for my mail. Hey, I wanna let another person pick up my mail too. Please assist me in including another individual as an authorized mail recipient. I want to authorize someone else to get my mail.	2. Go to the Virtual Mailbox tab. 3. Verify the account is active and eligible for recipient updates. 4. Check if the required recipient information (full name and contact details) is provided in the inquiry. 5. If recipient information is missing or ambiguous, ask the customer to provide the full name and contact details of the individual to be added and STOP. 6. Add the new individual as an authorized mail recipient in the system. 7. Confirm the recipient has been added. 8. Notify the customer of the successful update. 9. Document the action.
MAIL_RECIPIENT_ADD_COMPANY	Can I list a company as an authorized recipient for my mailbox? Is it possible to add a company name to my mailbox as an authorized recipient? Hey, can I put a company down as someone who can get my mail? Please let me know whether a company name may be designated as an authorized recipient	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Verify the account is active and eligible for recipient updates. 4. Check if the company name to be added as a recipient is provided and unambiguous. 5. If missing or ambiguous, ask the

	on my mailbox. Just checking if I'm allowed to add a company as an authorized recipient for my mailbox.	customer to specify the exact company name to add and STOP. 6. Add the provided company name as an authorized recipient. 7. Confirm the recipient has been added in the system. 8. Notify the customer of the successful update. 9. Document the action.
MAIL_RECIPIENT_FEES_AND_COMPLIANCE	Are there any charges or rules I should be aware of when adding new mail recipients? Could you please inform me about any fees or compliance obligations related to adding new mail recipients? Hey, do I have to pay anything or follow any rules to add more mail recipients? Let me know if there are any costs or compliance stuff for adding new mail recipients. Please advise whether there are any associated fees or compliance requirements for the addition of new mail recipients.	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the policy and fee information for adding new mail recipients. 4. Check compliance requirements for adding mail recipients. 5. Reply to the customer with the current fees and compliance requirements as shown in the system. 6. Document the interaction.
MAIL_USPS_1583_REQUIREMENT_EXPLANATION	Can you explain why I have to fill out a USPS 1583 form for my mailbox? Why do I need to submit a USPS 1583 form for my mailbox?	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the compliance section for USPS 1583

	Hey, what's the reason for needing that USPS 1583 form for my mailbox? Please clarify the necessity of submitting a USPS 1583 form in relation to my mailbox. Do I really have to turn in a USPS 1583 form for my mailbox?	requirements. 4. Reply to the customer explaining that USPS 1583 is required by federal regulations to authorize Starthub to receive and handle mail on their behalf. 5. Document the interaction.
MAIL_USPS_1583_SUBMISSION_STATUS	Can you tell me whether my USPS 1583 form has been submitted and approved? Hi, just checking if my 1583 form for USPS went through and got approved. Please confirm the submission and approval status of my USPS 1583 form. Has my USPS 1583 form been submitted and approved yet? I'd like to verify if my USPS 1583 form has already been submitted and approved.	1. Open the customer's company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Locate the USPS 1583 form submission status. 4. Review the current status and approval state in the system. 5. Reply to the customer with the status and approval information as shown. 6. Document the interaction.
MAIL_USPS_1583_MISSING_OR_REJECTED	What should I do if my USPS 1583 form goes missing or gets rejected? Can you tell me the process if my USPS 1583 form is lost or not accepted? Hey, my USPS 1583 form didn't go through or got lost—what now? Please advise on the appropriate actions to undertake should my USPS 1583 form be either missing or	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab and review the USPS 1583 form status. 3. Provide the customer with step-by-step instructions on how to correctly complete and submit the USPS 1583 form, including required identification and notarization. 4. Advise the

	rejected. If my USPS 1583 form is missing or rejected, what are the next steps?	customer to resubmit the form following the provided instructions. 5. Document the interaction.
MAIL_ACCESS_RESTRICTED_COMPLIANCE	Can you explain why compliance rules are stopping me from getting into my mail? I am unable to access my mail because of compliance requirements; please clarify the reason. Hey, why can't I get into my mail? Is it something to do with compliance? Could you please inform me of the specific compliance requirements preventing my mail access? Not sure why, but compliance stuff is blocking my mail—what's up with that?	1. Open the company profile in Starthub Admin CRM. 2. Go to the Virtual Mailbox tab. 3. Review the compliance status and any restriction messages or flags. 4. Check compliance logs and notes for details on the restriction. 5. Reply to the customer with the reason for the compliance restriction as shown in the system. 6. Document the interaction.
